INFORMATION KIT

October 14th, 15th, & 16th

It starts with Scouts.

2011

Dear Scouters,

As you know, Apple Day is one of the most successful fund raising campaigns of the Scouting year. Did you also know that it began as a way for one Toronto Group to say 'thanks' to its community? They handed out apples as a thank you for support shown over the year, and people began to give donations in return. We do not sell apples on Apple Day; we merely continue the tradition of thanking our community. I would like you to remind our youth of this as we gear up towards this year's Apple Day.

The Apple Day Committee has been working hard to secure Depot and covering locations, as well as streamlining our location assignment process in order to get you in and out of the Depot faster.

Since most groups turn around and make their packages anyway, the committee has decided to give you all of the information here and you may copy it as you please. There is a title page, Group Duties, Depot Boundaries, Depot Locations, and Hours of Operation and Instructions to Parents and Youth. The "Instructions to Parents and Youth" page is one that you may photocopy for your own use.

Please take the time to read through this information carefully and pass it on to your groups and sections. And have a great year!

Yours in Scouting,

Brampton Area Apple Day Committee

INSTRUCTIONS TO PARENTS AND YOUTH

It starts with Scouts.

The objective of Apple Day is to show appreciation to our community for support already shown; that the community further shows its support with a cash donation is a pleasant benefit. Another benefit is the promotion of Scouting in Brampton as a worthwhile endeavor for this community's youth. These benefits can be ensured through the cooperation of all involved.

All Participants will receive one point per shift worked. Any funds collected will be divided, with each point receiving an equal share. The number of points earned by a Group is dependent on the Group's participation.

CONTROL SLIPS

- Control slips are used by the Apple Day Committee to determine how many points a Group is entitled to. **IT IS VERY IMPORTANT THAT THESE BE FILLED OUT ACCURATELY.**
- No more adults than youth, per control slip will be counted.
- Depot Chair reserves the right to determine the validity of any Control Slip.

YOUTH

- All registered Members of Scouts Canada must be in **FULL UNIFORM**. Remember that you are representing Scouts everywhere!
- Youth must cover only the routes provided. Youth must remain at assigned locations.
- Youth may not enter any place of business, apartment buildings or seniors residences.
- Youth must follow instruction of their Adult Supervisors.
- Youth must remember to act in a polite and orderly manner. You are promoting yourselves as an example to the community.
- Remember, Beavers "help take care of the world," Cubs "Do Your Best," Scout are "kind and cheerful, considerate and clean," Venturers, Rovers and Leaders "help other people at all times." You all made these promises, please remember them.

PARENTS

- It is mandatory that an adult accompany each Beaver at all times (**ONE TO ONE RATIO**). There can be no exceptions to this rule.
- If you can help, please contact the key leader in your group.
- Please ensure that all Youth know their full group name.
